St. James Soccer 2009 - Week 8

Week 8 (May 23) was a stellar week for St, James Soccer. In a very hard fought battle St. James Gold defeated St. Rose 7-6. The comments from the referee were that it was the best game he had seen all season.

At the same time St. James White and St. Mary were involved in another great game. The teams traded goals all through out the game and in the closing minutes St. James tied the score. Both teams had chances to score the go

winning goal but the defenses held and the game ended in a 6-6 tie.

St. James Blue had an easier time beating Corpus Christi 6-2.

On the JV side St. James Yellow split their games. The lost the first game to St. Dominic 4-3 and came back in the second game to dominate Corpus Christi - Blue 8-0.

The Memorial Day friendly games were a great success. St James fielded one combined Varsity team and one combined JV team. We had almost 20 players per team. Next year we may try to field two additional teams.

Everyone got to play a lot of soccer and still got home early enough for Parades and cook outs!
